Overview

With a capacity of 12KWH, this battery provides ample power to keep a house running for up to 12 hours, even when there is no sunlight to generate electricity. The Lifepo4 lithium technology ensures high performance, long lifespan, and safety, making it an ideal choice for residential solar systems.

12kwh energy storage battery

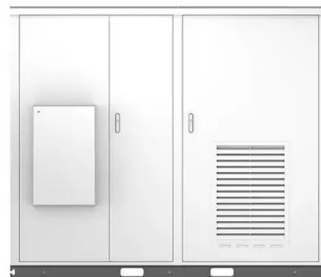

Lithium Battery - Hybrid Solar Inverter & ESS Manufacturer

Built for Home Solar Storage. The LP2800 Series is a premium wall-mounted LiFePO4 battery system tailored for residential solar energy storage and backup power needs. With energy ...
