

# Battery cabinet equipped with cooling system

#### **Overview**

An air-cooled C&I (Commercial and Industrial) Battery Energy Storage System (BESS) cabinet is a type of energy storage solution designed for commercial and industrial applications. It uses air cooling to manage the temperature of the battery cells, ensuring optimal performance, safety, and longevity.

#### **Battery cabinet equipped with cooling system**

# Alphaess STORION-LC-372 Energy Storage Cabinet, Large ...

This outdoor battery cabinet incorporates advanced liquid cooling technology. With its high level of system integration, it offers easy installation and enhanced efficiency.
