

# Can the batteries in Huawei energy storage cabinets be replaced

#### **Overview**

Can a battery cabinet be deployed outside a smart module?

Battery cabinets or racks can also be deployed outside smart module A (batteries deployed outside) or smart module B. The front door is a single door, and the rear door is a double one. Shoto batteries are supported.

How many lithium battery cabinets can be connected in parallel?

A maximum of 15 SmartLi 2.0 lithium battery cabinets can be connected in parallel. When multiple cabinets are connected in parallel, only the master cabinet has an LCD. Easy capacity expansion: Batteries can be added along with load increase by stages. New and old battery cabinets can be connected in parallel.

Can a battery cabinet be connected in parallel?

New and old battery cabinets can be connected in parallel. Easy maintenance: Batteries can be swapped for maintenance due to the modular design. High cycle performance of cells: 25°C, 0.5C charging/1C discharging, 50% depth of discharge (DOD), 5000 cycles at 70% end of life (EOL).

How many smartli lithium battery cabinets can be connected?

Scenario where SmartLi 3.0 lithium battery cabinets are deployed outside the smart module: One integrated UPS can connect to a maximum of 10 SmartLi 3.0 lithium battery cabinets. When multiple cabinets are connected in parallel, only the master cabinet has an LCD.

What services does Huawei provide?

Distribution products: In principle, Huawei provides direct services only for value-added partners (VAPs) and remote technical support and spare parts services for end customers (installers and owners) of VAPs. Huawei services are available in distribution scenarios to provide original manufacturer services for end customers.

How long does it take Huawei to ship spare parts?

2BD-S: Huawei ships spare parts within two business days after confirming the necessity of hardware replacement and receiving the RMA information. The spare parts service delivery process, responsibilities, and restrictions must comply with the spare parts service requirements of the Enterprise BG.
