

Chad base station energy storage battery

Overview

In Chad, we successfully installed a 100kWh energy storage system for a local customer. The system consists of 20 5kWh wall-mounted lithium iron phosphate batteries, ensuring efficient and stable power storage and supply, and meeting the local demand for a reliable power system.

Chad base station energy storage battery

John Cockerill has commissioned a NAS® battery system in Tchad

John Cockerill has just commissioned in Chad a NAS® battery system for ZIZ Energie, a company from Chad involved in decentralized energy infrastructure projects for secondary towns.
