

Does Italy have custom lithium battery packs

Overview

ELTEC is an Italian company founded in 1993, known for its ability to develop customized solutions in designing and producing lithium battery packs containing primary or rechargeable cells. Why should you choose a custom lithium-ion battery?

With stringent adherence to safety standards and compatibility with diverse drone systems, our custom lithium-ion batteries cater to the unique needs of aerial photography, surveillance, mapping and surveying, search and rescue, agricultural, and more.

What are rechargeable lithium-ion batteries used for?

Rechargeable lithium-ion batteries find extensive use across a broad spectrum of applications. Some of the areas where our battery systems excel include: Our power packs are ideal for medical carts, handheld devices, surgical equipment, monitoring devices, and more. We have the ISO 13485 certificate for manufacturing batteries for medical devices.

Why should you choose a lithium-ion battery for Your Cleaning equipment?

Our custom lithium-ion batteries power a wide range of cleaning equipment, such as floor scrubbers, vacuum cleaners, ride-on sweepers, and pressure washers with superior performance and longer run times than traditional lead-acid batteries. In addition, professional cleaning demands efficient and durable battery solutions.

Are LiFePO4 batteries reliable?

LiFePO4 batteries have a higher tolerance to overcharging, overheating, and short circuits, making them a reliable and secure choice for energy storage applications, with an impressive lifespan of up to 10 years or more, our LiFePO4 home energy storage batteries offer unparalleled durability and reliability.

Does Italy have custom lithium battery packs

CUSTOM BATTERY PACKS

We have been designing and manufacturing custom battery packs for a wide range of industries for more than 30 years. Whether you need a rechargeable ...
