

Energy storage power charging module

Energy storage power charging module

12.8V 100Ah

MXB150050 50kW bidirectional ev charging ac to dc converter module

...

MXB150050 is a high-frequency isolated bidirectional AC/DC power module delivering up to 50kW output power with an ultra-wide voltage range of 200V to 1500V. Designed for next-generation ...
