

Fully automatic battery inverter

Efficient Higher Revenue

- Max. Efficiency 97.5%
- Max. PV Input Voltage 600V
- 150% Peak Output Power
- 2 MPP Trackers, 150% DC Input Oversizing
- Max. PV Input Current 16A, Compatible with High Power Modules

Intelligent Simple O&M

- IP66 Protection Degree: support outdoor installation
- Smart I-V Curve Diagnosis Function: locate PV string faults accurately and automatically detect faults
- DC & AC Type II SPD: prevent lightning damage
- Battery Reverse Connection Protection

Flexible Abundant Configuration

- Plug & Play, EPS Switching Under 10ms
- Compatible with Lead-acid and Lithium Batteries
- Max. 6 units Inverters Parallel
- AFCI Function (Optional): when an arc-fault is detected the inverter immediately stops operation

Overview

What is an inverter battery?

The inverter battery and inverter cables are usually connected to the power connection of the home. An inverter battery for home can be any rechargeable or secondary or storage battery (electrochemical power source) like a lead-acid battery, nickel-cadmium battery or Li-ion battery.

Does a power inverter have a battery charger?

Power Inverters with built in direct current battery chargers provide a uninterruptible power supply. If you require a home power supply backup this would be the solution.

Where can I buy Inverter Batteries?

You can buy the inverter batteries mentioned in this article by clicking on the Amazon link given in this article. Make sure to cross-check the specifications before making a purchase to be an informed buyer.

What is a 1000W modified sine wave inverter with charger?

1000W modified sine wave inverter with charger Genius power is a high-quality 1000W DC 12A Fully Automatic DC to AC Power Inverter with Charger, manufacturer from Taiwan since 1984. Reliable Charging Solutions: Advanced Battery Chargers for Industrial Applications. For automotive applications, our car inverters are second to none.

What is a 48V 100Ah LiFePO4 battery?

The 48V 100Ah LiFePO4 battery features a durable metal shell and 3U rack-mount design, saving space and allowing easy installation. [What You Get] There are 2 packages for this home backup power system, please make sure you have received the complete system.
