

How many base station sites are there in West Africa

Overview

How many US military bases are in Africa?

In Summary The U.S. military has expanded its presence in Africa, hosting approximately 29 bases across 15 nations as of 2025, with missions aimed at combating terrorism, stabilizing regions, and countering the growing influence of global rivals.

Why are US military bases in Africa?

Although not as prevalent as their European counterpart, the US military has set up bases in Africa to foster joint operations against a common foe or to protect its interest, utilizing its weapons systems, such as drones, radars, military vehicles, and more.

Where is the US military based in Africa?

The US military also runs a naval medical research unit in Cairo known as Namru. This base is used for researching infectious diseases and their prevention. Cameroon (Contingency Location Garoua): This is yet another US military base that was set up to aid Africa in fighting a common enemy.

Which US military base is located in Africa?

1. Djibouti Djibouti, home to Camp Lemonnier, is the most significant U.S. military base in Africa. This facility, housing approximately 5,000 personnel, serves as a launchpad for operations across the Horn of Africa and the Arabian Peninsula. Its strategic location near the Bab-el-Mandeb Strait ensures control over key maritime routes.

Are US military bases in Africa permanent or temporary?

Some bases are permanent, while others are temporary and are established through bilateral agreements. However, the book US Military Bases in Africa explains that Africa is located between the Far East and America. This makes it an alternate air and sea route to the Far East and Middle East.

How many US military outposts are there in Africa?

Research by TomDispatch indicates that in recent years the US military has, in fact, developed a remarkably extensive network of more than 60 outposts and access points in Africa. Some are currently being utilized, some are held in reserve, and some may be shuttered.
