

How much does an outdoor power supply cost in Morocco

Overview

Do I need a power adapter for Morocco?

In Morocco, type C and E power outlets are used, while in USA, you use plugs A and B. If you're traveling to Morocco, you'll need a power adapter for types C and E, as your power plugs won't fit the sockets there. Power adapter for Morocco needed?

.

What type of power outlet does Morocco use?

In Morocco, they use power outlets and plugs of type C and type E. The voltage is 220 V, and the frequency is 50 Hz. You will need an adapter for type C and E power outlets in Morocco. You will need a voltage converter as well. Be cautious with some devices due to the frequency difference. Do power plugs from USA fit into Morocco outlets?

.

How much does electricity cost in Morocco?

The electricity price for businesses is MAD 1.072 kWh or USD 0.118. These retail prices were collected in December 2024 and include the cost of power, distribution and transmission, and all taxes and fees. Compare Morocco with 150 other countries. Historical quarterly data, along with the latest update from June 2025 are available for download.

What are the different types of power plugs in Morocco?

In Morocco, there are two main types of power plugs and outlets: Type C and Type E. Type C: Type C plugs have two round prongs on either side of the plug, commonly known as Euro plugs. Mostly used in Europe, South America, and Africa. Type C outlets can be fit with either Type E or Type F plugs.

What do Morocco electrical outlets look like?

When you are going on a trip to Morocco, be sure to pack the appropriate travel plug adapter that fits the local sockets. But what do those electrical outlets look like?

In Morocco, types C and E are the official standards. Since type F plugs are identical to type E plugs, they can also be used with type E sockets.

Which plugs fit in a Type E outlet in Morocco?

Plug types C and F also fit in a type E outlet. If you're not sure whether the outlets and plugs used in your country are the same as in Morocco, you can use the tool at the top of this page to check if you need a travel adapter. All power sockets in Morocco provide a standard voltage of 127V with a standard frequency of 50Hz.
