

Malta Commercial Energy Storage Equipment

Overview

Malta is a developer of grid-scale long-duration thermal energy storage solutions. Incubated at X, the Moonshot Factory (formerly Google [X]), Malta has developed a Pumped Heat Energy Storage (PHES) system to provide long-duration, large-scale, cost-effective, and safe energy storage.

Malta Commercial Energy Storage Equipment

Energy Storage Systems for Commercial and Industrial Applications

Energy storage systems offer substantial benefits for commercial and industrial sectors, helping businesses reduce costs.
