

# Nanya Power Generation Container Plant

#### **Overview**

The Nanya Cogen power station is a captive power plant that provides electricity and heating to the Formosa Plastics Group's facilities in Jiangsu. Both operating units have been equipped with desulfurization equipment since commencing operations in 2004 and 2005, respectively. In 2007, it was reported that the.

The map below shows the location of the power station in Changjiang S Road, Kunshan, Suzhou, Jiangsu Province, China.

The Nanya Cogen power station is a 112 MW captive power plant that provides electricity and heating to the Formosa Plastics Group's facilities in Jiangsu. [1] Both operating units have been equipped with desulfurization equipment since commencing operations in 2004 and 2005, respectively. [2]
