

Nicaragua outdoor power supply is easy to use and safer

Overview

Do I need a travel adapter in Nicaragua?

The electrical outlets and power plugs in Nicaragua are of types A & B (see images). If your country uses the same electrical outlets and power plugs, you don't need a travel adapter. However, you may still need a voltage converter if the voltage is different.

Where can I buy a power adapter for Nicaragua?

There are many different types of adapters available on Amazon that can be used in Nicaragua. You can purchase a universal adapter that will fit most outlets in the world, or you can purchase a specific adapter for Nicaragua. → Find travel adapters on Amazon. What Voltage and Frequency Are Used in Nicaragua?

.

Do device plugs work in Nicaragua?

Most device plugs will work with the outlet types in Nicaragua. Also, the voltage in Nicaragua is the same as in North America. Please note: an adapter will be needed if your device plug has a grounding pin and you are trying to use a Type A outlet. For this reason, we always recommend traveling with a universal travel adapter.

What power plugs and outlets are used in Nicaragua?

In Nicaragua, there are two types of power plugs and outlets: Type A and Type B. Both types are used in airports, hotels, restaurants, etc., but they differ in terms of shape. Type A: Type A plugs have two flat prongs on either side of the plug.

Are Nicaragua electrical outlets the same as the US?

Yes, the electrical outlets in Nicaragua are the same as in the United States,

both countries use power plugs and electrical outlets of types A and B. The voltages used in Nicaragua and the United States are also compatible, so you don't need a voltage converter.

What voltage does a power socket work in Nicaragua?

All power sockets in Nicaragua provide a standard voltage of 120V with a standard frequency of 60Hz. You can use all your equipment in Nicaragua if the outlet voltage in your own country is between 100V-240V. This is mostly the case in Europe, Australia, United Kingdom and most countries in Africa and Asia.
