

Niue Gravity Energy Storage Project

Overview

What does the Minister of infrastructure say about Niue's New Power Station?

The Minister of Infrastructure, Hon. Crossley Tatui extended his appreciation to the Australian and New Zealand Governments, saying, “The construction of this new power station is a vital piece of infrastructure for Niue’s development and well-being. This achievement would not have been possible without the support of our regional partners.”.

When is Niue's New Power Station launching?

The Ministry of Infrastructure celebrated the so5 launch of Niue’s New Power Station on the 7th November 2024. The launch marks a cri;cal milestone in Niue’s journey to strengthen and modernize its energy infrastructure.

Who is implementing GEF project in Niue?

The project will be implemented by the Niue Ministry of Infrastructure (Department of Utilities) in close collaboration with Ministry of Natural Resources as the GEF official focal point, Project Management and Coordinating Unit and other Government Ministries.

When will Niue's energy project start?

The initial phase of clearing the surrounding land will be completed by the end of this year, setting the stage for physical construction to commence in early 2025. In 2015, Niue launched the Strategic Energy Roadmap, with the ambitious goal of reaching 80% renewable energy production by 2025.
