

Niue grid-side energy storage project

Overview

Does Niue need a resilient energy system?

"Premier Tagelagi has talked to me about the importance of a resilient energy system that reduces Niue's reliance on expensive diesel to reduce the cost of living for Niueans, while also bringing down greenhouse emissions.

What does the Minister of infrastructure say about Niue's New Power Station?

The Minister of Infrastructure, Hon. Crossley Tatui extended his appreciation to the Australian and New Zealand Governments, saying, "The construction of this new power station is a vital piece of infrastructure for Niue's development and well-being. This achievement would not have been possible without the support of our regional partners.".

When is Niue's New Power Station launching?

The Ministry of Infrastructure celebrated the so5 launch of Niue's New Power Sta; on on the 7th November 2024. The launch marks a cri; cal milestone in Niue's journey to strengthen and modernize its energy infrastructure.
