

Nordic communication base station flow battery construction regulations

Overview

How do I contact the Nordic flow-based implementation project?

Please direct any questions about this matter to Erik Ek, Chair of the Nordic Flow-Based Implementation Project through the Svenska kraftnät press office. Phone: +46 10 475 80 10, e-mail: press@svk.se. An overview of the Nordic LT and DA/ID CCM developments is provided [here](#).

Which countries are collaborating on battery production in the Nordic region?

value chain, especially in Finland, Sweden and Norway. In April 2021, Innovation Norway, Business Finland and Business Sweden signed a letter of intention on Nordic collaboration on trade promotion efforts including in the area of battery production. The ambition is to work closely with carefully selected initiatives.

How do I contact the Nordic LT & DA/ID CCM?

Phone: +46 10 475 80 10, e-mail: press@svk.se. An overview of the Nordic LT and DA/ID CCM developments is provided [here](#). The NorCap project within the Nordic RCC is working on the implementation of the DA/ID CCM.

How can Norway improve the competitiveness of the EU battery industry?

enhance the competitiveness of the EU battery industry. Norway is mentioned as a potential alliance with a view to securing material resources and value chain. Strategy and battery initiatives in the UK The British Government has allocated GBP 2.8 b.

Why do we need a battery cluster in Norway?

Landowner is essential in battery cell production. The McKinsey report "Norway Tomorrow" refers to the need for an ecosystem approach through favourable co-locations. Battery clusters will be crucial to the international competitiveness of Norwegian industry. This is also beneficial because long distances entail high transport costs.

What do NRAS expect from the Nordic CCM external parallel run evaluation report?

On 12 July, the Nordic NRAs confirmed the Nordic CCM External Parallel Run Evaluation Report and the continued implementation of flow-based capacity calculation in the Nordics. At the same time, the NRAs conclude that they expect additional actions for the upcoming 6 months of EPR to address remaining open issues beyond the established KPIs.
