

# Northern Cyprus behind-themeter energy storage system

### **Overview**

The Cyprus Energy Regulatory Authority (CERA) has approved the installation of the country's first large-scale public energy storage systems, authorizing the Cyprus Transmission System Operator (TSOC) to develop, own, and operate them directly—without open tender procedures.

### Northern Cyprus behind-the-meter energy storage system

# Mid-term electricity storage needs of the power system of Cyprus

This paper aims to quantify the storage needs of the non-interconnected power system of Cyprus to meet the increased RES penetration targets set by Cyprus' Integrated ...
