

Oman solar energy storage power supply manufacturer direct supply

Overview

Who is Oman solar systems?

Systems has been delivered to Telecom, Oil & Gas, Ministry and Defense for different applications. You are guaranteed to get the energy system that's been chosen and installed by the real experts. Part of Al Bahja Group, established in 1947. Mainly in manufacturing and allied activities. OMAN SOLAR SYSTEMS CO. LLC OMAN SOLAR SYSTEMS CO. LLC.

Why should you choose Oman solar?

At Oman Solar, we have latest technology by which we can use NATURAL RESOURCES and convert the NATURAL energy into POWER (ELECTRICAL ENERGY). The solar photovoltaic energy is a most viable solution for reliable and remote application in the region because of the availability of the sun for almost 365 days in the year.

Can Oman deliver a reliable and stable electricity supply?

While Oman, due to its energy market reforms of the last two decades, may be the best positioned of all the six GCC member states, to stay ahead of demand by ramping up production, whether it can deliver in the future a reliable and stable electricity supply, especially during peak times, remains to be seen.

Who is OSS solar?

OSS is one of the oldest company in entire GCC region, over the three decades, we have installed many successful solar power systems at critical, remote, and inaccessible locations and delivered power and energy to homes and business houses across the Oman, UAE, MENA and SEA region.

Where is solar energy available?

Life on our planet would be unthinkable without that large power station known as the sun. Solar energy is available almost anywhere. Where there is

sunlight there is Electricity. What options do I have to buy the solar system?

This section is dedicated for prospective solar electrification system customer.
