

# Palestine Industrial Park Photovoltaic Energy 4G Base Station

#### **Overview**

In the West Bank's Massader program, up to 500 schools are being outfitted with solar panel arrays to support uninterrupted clean energy while students are in class. Approximately 70 schools are co.

### Palestine Industrial Park Photovoltaic Energy 4G Base Station

# DAI-Implemented Solar Energy Financing Project in Palestine ...

Once built, the facility will mark the largest solar array in the West Bank and Gaza and first privately financed infrastructure project in a decade in Gaza.
