

Polish energy storage photovoltaic box manufacturer

Overview

The product was developed by NRG Project sp. Z oo in cooperation with a group of Polish engineers. The set of inverter with energy storage is manufactured in Poland. What is the Polish Photovoltaic & Energy Storage Association?

The Polish Photovoltaic and Energy Storage Association is a non-governmental organization whose main goal is to promote and support the development of photovoltaics in Poland. SBFIME brings together a wide range of companies in the photovoltaic industry, from equipment manufacturers and distributors to installation firms.

What is a photovoltaic inverter with energy storage?

By supplementing the photovoltaic installation with an energy storage, you will maximize the use of the electricity you produce. The product was developed by NRG Project sp. Z oo in cooperation with a group of Polish engineers. The set of inverter with energy storage is manufactured in Poland.

Who makes the inverter with energy storage?

The product was developed by NRG Project sp. Z oo in cooperation with a group of Polish engineers. The set of inverter with energy storage is manufactured in Poland. We offer Polish single-phase inverters for the home, and three-phase inverters with inverter powers of 3 kW, 10 kW, 100 kW, 250 kW, 500 kW.
