

# Pretoria Hybrid Compression Energy Storage Project

#### **Overview**

Oya Hybrid Power Station, also Oya Energy Hybrid Facility, is a hybrid power plant under development in . The power station comprises a 155 MW (208,000 hp) , a 92 MW/242 MWh (BESS), and an 86 MW wind power plant. The power station is owned and under development by a consortium of four independent energy companies. Under a 20-year (PPA), the power generated here will b.
