

Russian large energy storage cabinet processing plant

Overview

Will Russia build a 'Russian Gigafactory' in Kaliningrad?

Renera LLC, the energy storage business of Russian state nuclear energy corporation Rosatom, has taken a step towards building a “Russian gigafactory” in the country’s Kaliningrad Region. Emin Askerov, director general of Renera, and Kaliningrad Governor Anton Alikhanov. Source: Renera LLC.

Will Russian energy storage firm Renera invest in EV batteries?

June 23, 2023: Russian energy storage firm Renera says a special investment contract providing incentives and financial backing for domestic production of batteries for EVs and stationary storage systems was signed at the St Petersburg International Economic Forum on June 16.

Will Renera build a manufacturing facility for energy storage systems?

Energy storage company Renera has signed an agreement with the Kaliningrad regional government to build a manufacturing facility for energy storage systems.

What will Russia's new lithium-ion plant do?

The plant will focus on the production of lithium-ion cells and energy storage systems and will have a total annual battery manufacturing capacity of at least 3 GWh. “The signals we receive from the Russian market indicate that the production volumes we planned a year ago may be insufficient.

Will Renera produce energy storage systems and lithium-ion cells?

The facility will produce energy storage systems and lithium-ion cells. Credit: TVEL Fuel Company. Russian energy storage company Renera has signed an agreement with the Kaliningrad regional government to build a manufacturing facility in Russia’s Western exclave region to produce energy storage systems and lithium-ion cells.

Will Russia build a Gigafactory in 2023?

January 5, 2023: Russia's prime minister Mikhail Mishustin (pictured) says work has started on the first of a potential series of gigafactories as it scrambles to ramp up domestic battery manufacturing capacity for energy storage systems and EVs, after foreign investors and partners quit the country over the war with Ukraine.
