

# Russian large-scale energy storage lithium battery

### **Overview**

Nuclear technology company Rosatom, Russia's biggest electricity provider and the country's supplier of nuclear fuel for power plants, has opened an energy storage business unit based around lithium-ion batteries.

### Russian large-scale energy storage lithium battery

# Inexpensive New Liquid Battery Could Replace \$10,000 Lithium

3 days ago· Monash scientists designed a fast, safe liquid battery for home solar. The system could outperform expensive lithium-ion options. Engineers have created a new water-based ...
