

Singapore home energy storage battery pack

Overview

Megapack stores energy for the grid reliably and safely, eliminating the need for gas peaker plants and helping to avoid outages. Each unit can store over 3.9 MWh of energy—that's enough energy to power an average of 3,600 homes for one hour.

Singapore home energy storage battery pack

Products

Our Li-ion battery portfolio covers cells, modules (24V, 48V), cabinets (indoor/outdoor) and containers, which offer customers excellent scalability and adaptability to a wide variety of ...
