

Solomon Islands New Energy Storage Enterprise

Overview

Who is financing a solar energy project in the Solomon Islands?

The Asian Development Bank, Saudi Fund for Development, and Solomon Power are all financing the project. A project is now underway on the Solomon Islands to help the country accelerate its renewable energy generation.

What is a solar hybrid project in Solomon Islands?

The project will finance new solar farms in Guadalcanal and Malaita province, along with a utility-scale grid-connected energy storage system in Honiara. Nearly all of Solomon Islands' grid power is diesel generated. Solar hybrid project 2017 at Taro. Image credit Solomon Power.

Can a solar PV system boost economic growth in the Solomon Islands?

A pilot business model for rooftop solar PV systems will also be trialled at two schools in the country. Shane Rosenthal, ADB's Pacific liaison and coordination office regional director, believes that upscaling renewable energy generation in the Solomon Islands could help unlock economic growth and prosperity.

What percentage of the Solomon Islands' electricity mix is renewable?

Renewable energy only makes up 2% of the Solomon Islands' electricity mix. Image: Namkoo Solar. A group of investment firms led by the Asian Development Bank (ADB) has partnered with the government of the Solomon Islands to finance new solar PV power plants, increase rooftop solar PV installations and support the islands' power sector reforms.

How is the Solomon Islands project funded?

The project is being funded by a \$10 million concessional loan and a \$5 million grant from the Asian Development Bank (ADB), while the Saudi Fund for Development and state-owned Solomon Power are providing \$10 million each. The government of the Solomon Islands is providing \$7 million.

Does the Solomon Islands have solar power?

Nearly all of Solomon Islands' grid power is diesel generated. Solar hybrid project 2017 at Taro. Image credit Solomon Power The Solomon Islands of Oceania are an archipelago with a rich history, some of it not so good for the residents there.
