

Vanuatu Photovoltaic Energy Storage System Project

18650 3.7V RECHARGEABLE BATTYRY

2000mAh

Overview

In Vanuatu, REnew Pacific has been pivotal in launching a \$75 million solar generation and battery storage project. Developed in collaboration with New Zealand-based Infratec and French-owned Unelco, this project will considerably augment the country's renewable energy capacity.

Vanuatu Photovoltaic Energy Storage System Project

Vanuatu Energy Storage Lithium Battery **Project**

The My Reserve Matrix 12kwh battery storage system is perfect for large domestic homes or small businesses which want to use their Solar PV energy more efficiently.
