

# **Which energy battery cabinet is best for the Timor-Leste site**

## Overview

---

Why should Timor-Leste invest in solar & storage infrastructure?

José added: “The investment in Timor-Leste’s solar and storage infrastructure is transformative. It will help reduce dependence on fossil fuels while improving grid stability and energy access across the country”. José de Ponte was supported by special counsel Marnie Calli, senior associate Lisa Huynh and solicitor Jeraldine Mow.

Who advised Eletricidade de Timor-Leste on a PPA?

Related professionals: José de Ponte Marnie Calli Lisa Huynh DLA Piper advised Eletricidade de Timor-Leste on a PPA to develop Timor-Leste’s first solar PV power plant and battery energy storage system.

Does Timor-Leste rely on diesel fuel?

Project's partner in DLA Piper’s Finance practice José de Ponte commented: “Timor-Leste has long relied on diesel fuel to power its grid, placing a significant financial burden on the state and end users.
